Commissioner:

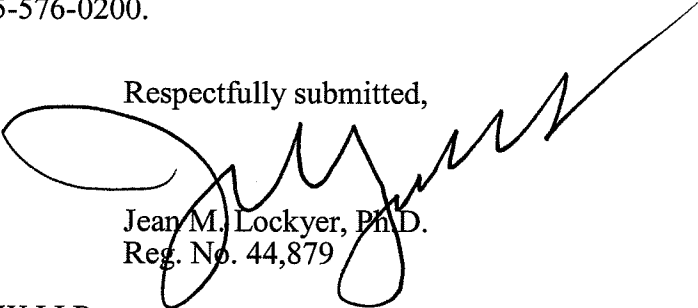

Further to the Office Communications dated May 19, 2009 (supplemental Notice of Allowance) and June 3, 2009, enclosed is the required substitute Declaration (in two counterparts). A Supplemental Application Data Sheet is also enclosed.

Applicants note that the May 19, 2009 Office Communication indicated that there was a three-month time period from May 19, 2009 for providing the substitute Declaration/Oath, but did not indicate that the due date for paying the Issue Fee was re-set. In a phone discussion with the Examiner on May 28, 2009, the Examiner had indicated that he would issue an Office Communication that stated that the new due date for paying the Issue Fee would be August 19, 2009. However, this latter Communication

was not mailed until June 3, 2009, one day after the June 2, 2009 Issue Fee due date. Because the official record did not reflect a new due date for paying the Issue Fee, Applicants proceeded with paying the Issue Fee on June 2, 2009 to ensure that the application did not go abandoned.

Applicants believe that this application is now in order to proceed to issue, However, if that are any further requirements, Applicants respectfully request that the Examiner telephone the undersigned at 415-576-0200.

Respectfully submitted,

Jean M. Lockyer, Ph.D.
